About Universal Audit Inc

Universal Audit Inc. is built on the expertise of highly experienced directors who have held senior positions at leading international firms within South Africa. The firm continues the legacy of a successful audit practice originally founded by Muhammad Moolla in 2016. Our directors, being both Chartered Accountants and Registered

Auditors, bring both strategic insight and hands-on leadership, ensuring that every audit engagement is approached with professionalism, precision, and integrity.

We specialize in providing high-quality audit services that meet international standards. By integrating world-class methodologies, modern technologies, and a deep understanding of financial environments, we offer clients clear, reliable, and value-driven results. Our work goes beyond compliance — we aim to strengthen financial clarity and support informed decision-making for businesses across all sectors.
