About DUA

DUA is a firm of knowledgeable, trustworthy accountants and business consultants. We work with clients to understand your needs, offer expert advice, and ensure you receive expert guidance through the complex, ever-changing worlds of business and finance.

Our diverse client base operates across many market sectors: from telecommunications and retail to manufacturing and service-based and professional sectors. We also offer expert accounting services in some specialist areas, including healthcare & dentistry, IT and high-tech businesses, property developers, and international business.
