About **PML Professional Services**

PML is a professional service firm providing services and solution in audit, tax, advisory and software. Our team is made up of seasoned and experienced professionals with several years of experience, providing risk and compliance, auditing, taxation, accounting services, financial advisory and other finance related services to clients across diverse industries including financial services, oil and gas, manufacturing, telecommunications etc.

Our services are built around specialized Software, Expertise and Training and tailored to take advantage of our combined "SET" approach.

PML has evolved over time and the business comprises of:

PML Audit – firms of chartered accountants

PML Advisory – focus on specialized software services

PML Outsourcing – focus on the human capital outsourcing services

At PML, we treat every client as unique and work closely to customize a solution to help solve problems, implement and drive change. Our Big Four heritage has given us a wealth of experience in all areas of finance and accounting services.

With our highly trained staff who are abreast of current issues in the financial world, we are ready to be of service to you.
