WEERT, NETHERLANDS — B.V. (LTD) — MEMBER SINCE 2020

ABOUT SMITSVANDENBROEK ADVISEURS | ACCOUNTANTS

SmitsVandenBroek has been a member of SRA (a joint venture of independent accountancy firms in the Netherlands) for a number of years and is among the few offices in our region that hold an AFM license to perform statutory audit assignments.

We advise not only on accountancy or tax matters, but also on international business, corporate finance, crowdfunding, corporate valuation, asset advice, pension advice, payroll administration, legal advice, digitization of administrations, HR advice and personnel services.

Our consultants distinguish themselves by their very broad but specialist knowledge, their accessibility and their proactive approach. Our team consists of approximately 35 employees and is therefore small enough to remain personal and accessible and large enough to have a very broad and adequate knowledge.
