About **BTA Baudo Tax & Accounting Stprl**

Our activity started thanks to Federico and Fabrizio Baudo professional skills, under the name of "Studio Baudo" and after as "Baudo & Partners" with Federico as Managing Partner and "Baudo e Associati" with Fabrizio as Managing partner. In the year 2019, the two offices merged, and we stated a great new professional experience as BTA – Baudo Tax & Accountant.

The abilities of our team have developed and are now sound. We constantly adapted to the development of a dynamic market. BTA firm keeps updating itself, and our primary goal is to offer adequate services for the specific needs of each one of our Clients.

We aim at a global and complete service taking into special account the needs of our Clients. One must analyses all aspects of their problems so as to offer good and immediate solutions, thus guaranteeing the highest and best quality.

Our working methods and procedures, as an independent firm, are based upon international consulting, tax assistance and auditing standards.
