## ◆ Company introduction ◆

Founded in 1995, CKC Accounting Co of Foreign (Invested) Corporations specializes in providing financial, accountancy and payroll services for foreign companies in Korea.

One of the important characteristics of CKC is that it offers a very competitively priced boutique style service providing clients with a highly professional and personalized service that allows them to select the services they require.

The other is that based on unique experience for two decades, CKC can offer solutions to variety of questions foreign companies may have, which are not easy from other local firms.

CKC is also offering a private social club that will give emotional and cultural impact on client, which no accounting firm has ever tried.

The firm has a diverse clientele including subsidiaries, joint ventures, branch and liaison offices from the USA, Australia, France, Singapore, Hong Kong, Japan, UK, Israel, Austria, Germany, Netherlands, Italy, Hungary, Canada and Norway etc.
