◆ *Company introduction* ◆

Created via [PDFShift](#)

UWU Solutions started its activity in January of 2003, as a company provider of accounting services. In more than 15 years of existence we have been experiencing sustainable growth, founded on high quality of the services provided and the satisfaction of our customers, which has allowed us to develop other competencies specifically in the areas of consultancy and Human Resources in a logic of Business Process Outsourcing (BPO).

The acronym "UWU", which means "Up With Us", translates well our mission to build a path of success with all of our stakeholders.

Our mission is to provide our clients excellent services that maximize the effectiveness and efficiency permanently and the effectiveness of backoffice processes, anticipating their needs and increasing competitiveness, in order to create maximum added value for our shareholders, employees, suppliers and other partners.

UWU Solutions currently has a team with around twenty elements, and has three offices in Portugal (Lisbon, Caldas da Rainha and Rio Maior) and one in Antwerp (Belgium).
